

SAFETY RECALL

Santorini Metal Stacking Chair

Select Santorini Metal Stacking Chairs have been recalled.
To identify if your chair is part of this recall please follow these steps:

- 1) Turn the chair upside down.
- 2) Locate the underside seat base weld.
- 3) If the weld joint is located in the rear of the chair, your chair is not involved in the recall.
- 4) If the weld joint is located on the side of the chair, your chair is included in this recall.

**For a full refund, return the chair to any Cost Plus
World Market store.**

Call Cost Plus Inc. for additional information at
